Names submitted by Councilman Joseph Egenberger are: James Sturgeon, 604 Masonic

Avenue; Tiny Kampe, 1276 Solano Avenue; George Villa, 606 Madison Street; Virginia Moody, 917 Pierce Street; Robert Hughes, 721 Carmel Avenue.

Names submitted by Councilman George Hein are: Vincent Briganti, 949 Masonic Avenue; Frank Costa, 946 Stannage Avenue; J. B. Saylor, 820 Kains Avenue; Virginia Blume, 807 Madison Street; F. H. Branning, 819 Pomona Avenue; Charles H. Lewis, 936 Stannage Avenue.

Councilman Carlevaro gave a report on meeting with the Association of Bay Area Government in which regional benefits were studied. Egenberger warned the Council of propositions of this type. He referred to the danger of a loss of identity when submerged into regional government. Howell reminded the Council of the result in the regional vote in the Rapid Transit issue. He suggested a work session with Byron Rumford, Assemblyman from the Seventeenth District, to discuss some kind of bill protecting the small city from being at the mercy of multi-district strength. The Mayor will contact Mr. Rumford and set a date.

By motion of Egenberger, the Mayor was also authorized to set up a meeting with the Rapid Transit District to discuss routing of the proposed transportation through Albany.

A late communication from the Alameda County Fair requesting an exhibit for June 30 through July 14 was referred to the Chamber of Commerce for recommendation, and an invitation to other civic organizations to make suggestions.

Skeels will supplement his message, which will be followed by a question and answer period, with an informative display.

This event, which should be of interest to all parents of teenagers, will be held March 5 from 8 to 9:30 p.m. in the Albany High Cafeteria. Refreshments will be served.

## Gosh! May Makes Illness Sound Like A Ball!

The Albany Times:

I feel like an astronaut returning from another world, because I am back home after spending ten days in the Albany Hospital.

Enjoying the luxury of constant attention, bed baths, back rubs, delicious food and so much concern for my well-being, plus showers of cards, flowers and gifts, is truly another world for me.

During my stay in the hospital, I began to realize more fully how fortunate we are here in our city of Albany. We have a complete and outstanding institution, ten minutes distance from any part of town.

Our hospital has a distinct personality not found elsewhere. Of course, the personality is really the competent staff of sixty or seventy trained people and the modern equipment, along with many small details prepared for the patient's comfort. There are

## South America Recreated By Cornell Students

Have you ever seen a Kinkajou? Have you ever wondered about a Coati-Mundi? If someone were to give you a Marmoset for a pet, would you accept? Cornell children, in Miss Sconberg's 6th grade class, could give you the answer to these questions quite readily. For a Kinkajou is a South American Honey Bear; a Coati-Mundi is a South American nocturnal animal which inhabits the upper parts of the trees in the jungle, and a Marmoset is a tiny South American Monkey. In their study of the geography and history of South America, these children studied in depth the animals of the jungles and the mountain areas. Each child made a paper mache animal native to South America and did research and reading on the characteristics and habits of these animals.

In addition the children studied the history of South America and learned that Simon Bolivar is considered the George Washington of this continent. They learned about the major cities and rivers and they understand why the seasons of the year are opposite from those in the United States.

Judy Stocking, a Senior student at Albany High School, who spent a semester on an American Field Service scholarship, living in Chile, talked to the class about her experience in a family, the school, and the customs of these people. In concluding their study of South America the children invited their parents to a program which simulated an airplane trip to the major sections of South America. Reports were given, songs were sung and the animals, which the students made were displayed and explained.

Two panoramas were made by the children: (1) a jungle scene, placing the animals in their native habitat; and (2) a scene of the High Andes, with the Llama and the Condor as natives of this area.

Their district captains are Mrs. S. Neuhauser, Mrs. G. E. Ashton, Mrs. Helen Brickey, Mrs. Esther B. Cabral, Mrs. D. Harry Vier, Mrs. Clark Berry, Mrs. H. Ramirez, Mrs. E. Robinson, Mrs. J. P. Dugan, Mrs. Enid Tarlton, Mrs. Evelyn Palmer, Mrs. Louis Cogola, Mrs. J. M. Hatch and Mrs. Evelyn Botti.

A separation of 44 years ended last week when Harold L. Stone of Elkhart, Indiana, paid a surprise visit to his brother, Orman T. Stone, 1020 Curtis Street.

## School For Carriers At Cornell

A school of instruction for volunteer petition carriers to "Dissolve Rapid Transit District" will be held Thursday night, February 21, Cornell School, at 7:30 p.m., announced Eleanor Miller, secretary of CRRIT, today.

"All registered voters willing to assist are invited to participate in this endeavor," said Mrs. Miller. She added that anyone interested in signing the petition is also welcome to do so at this evening meeting.

Further information can be obtained by calling either LA 5-8757 or TE 6-1886.

## \$900,000 Bond Issue Eyed By School Board

### HEART WALK SCHEDULED FOR SUNDAY

All set to don their most comfortable walking shoes Sunday, February 24, for a trek considerably shorter than the currently popular 50-mile hike but one which has farther reaching significance is a group of Albany women.

The exercise they get will benefit not only themselves but countless others — the heart patients of the present and future, for whom American Heart Association programs of research, community service and education mean both help and hope.

Sunday is Heart Sunday, a high point in February, National Heart Month, and a day on which Alameda County residents will be given the opportunity to contribute to the Heart Fund when volunteer walkers call at their homes.

Miss Antoinette Stallone heads the corps of Albany volunteers who are conducting Heart Sunday for the Alameda County Heart Association.

Some walkers will be making their calls before Sunday, Miss Stallone pointed out, because of the three-day Washington's Birthday weekend.

However, they and all others officially connected with Heart Sunday will carry identification which will be their authorization to accept Heart Fund contributions, she said.

Police and fire departments throughout the county are cooperating in the Heart Sunday drive by serving as official collection centers where Heart Association board members will be on duty to tally returns.

Aiding Miss Stallone in spearheading Albany's Heart Sunday drive are Mrs. C. W. Boyd, community vice chairman; Mrs. J. M. Gerlach, Mrs. Arthur Gerling and Mrs. Edith Vila, area chairmen.

Their district captains are Mrs. S. Neuhauser, Mrs. G. E. Ashton, Mrs. Helen Brickey, Mrs. Esther B. Cabral, Mrs. D. Harry Vier, Mrs. Clark Berry, Mrs. H. Ramirez, Mrs. E. Robinson, Mrs. J. P. Dugan, Mrs. Enid Tarlton, Mrs. Evelyn Palmer, Mrs. Louis Cogola, Mrs. J. M. Hatch and Mrs. Evelyn Botti.

### Brothers Reunite After 44 Years

A separation of 44 years ended last week when Harold L. Stone of Elkhart, Indiana, paid a surprise visit to his brother, Orman T. Stone, 1020 Curtis Street.

The brothers were separated shortly after the death of their parents, in Elkhart in 1909, and had only seen each other occasionally until 1919, when Orman moved to California. Over the years, both had given considerable thought to visiting the other, but circumstances seemed to step in and postpone each planned reunion. Now they are reminiscing old times, and touring places of interest in the Bay Area.

They are looking forward to another reunion next year when Harold is returning for a longer visit.

Last night the Albany Board of Education met, with a probable affirmative vote, to place before the citizens of Albany a bond issue of approximately \$900,000 for new construction and remodeling at the Albany High School. The issue will possibly result in a special election the last week in May or the first week of June.

Present buildings at the High School have been declared substandard under provisions of the state earthquake law, and a fifty man lay committee volunteered to conduct an impartial study of the educational facilities. The majority report recommended that the Board of Education take action to remedy the situation.

The new construction would include a new Industrial Arts building, in which would be encompassed the entire program; Mechanical Drawing, electronic shop, woodworking shop and auto and machine shop. Two new connected buildings would provide a multi-purpose building to be used as a lecture hall, closed circuit television reception area, theatre and dramatic arts, seminars, musical programs and debating; with the upper level housing the art department. The other building would be used for music instruction with the upper level devoted to the home economics program.

The remodeling would place the science department in the space vacated by the Industrial Arts subjects, conforming with the Board plan to place related academic subjects together. Modern requirements of lighting would be met, steam lines relocated, dry wall construction used for sound proofing, corridors refinished, dead-end corridors opened to exits conforming with safety requirements, and an Adult Education office added.

The plan of modernizing and rebuilding at Albany High School is not a new one. In 1938 the School Board approved an addition to the Albany High School; adding the final wing and removing the annex building and cottage. The historical events of that period delayed action until after the war when the building program was again considered.

At that time, the pressure felt for the elementary program again postponed it.

In 1946 a bond issue of \$525,000 was passed to relieve the elementary educational operation. Vista and MacGregor schools were built, the West Building at Cornell — a fire hazard — was razed and the east wing was added. The modern structure now housing the cafeteria, visual aid classroom, the library, and on the second level, the administrative offices, was erected. New construction and remodeling updated Marin School. The building program included the purchase of the 9.2 acres for Cougar Field, the acquiring of the church on the present high school property and the Albany Pool. Due to spiraling costs of construction, additional funds were needed to complete the building program and an additional bond issue of \$282,000 was passed. One half of the combined bond issue is paid off to date.

The problem of updating the Albany High School has been one that has plagued the Board of Education for many years. Original buildings housed Herbert Hoover Junior High School, and when it became Albany High School, construction and building was done by the WPA "without regard", as one administrator wryly puts it, "to practical and efficient educational growth."

As with all electoral issues sponsored by the Board of Education, it is expected that this one will follow the usual economic pattern of using volunteer help from civic organizations to "man the polls".

Comments, suggestions and criticisms are welcomed, active participation is urged.

The Directors appointed H. F. Call to represent the Chamber and work with the Mayor's committee, on securing the property at San Pablo and Buchanan Streets for new city facilities.

Mr. F. A. Wallace, Director of Travel and Recreation, California State Chamber of Commerce, will be the speaker at the luncheon meeting, Wednesday, February 27, at The Office restaurant, 1396 Solano Avenue. His subject will be "California Travel, a Growing Business." Save this date and make reservations at the Chamber office, 525-1771.

## 86th Birthday Celebrated By Isabelle Smith

Mrs. David Smith, 913 Taylor, celebrated her 86th birthday Saturday night, with not only 27 of her "clan" present, but with her first look at her 25th great-grandchild, two month old Beverly Lengquist of Santa Clara.

Mrs. Smith, a resident of Albany for sixteen and a half years, has seven children, sixteen grandchildren — and the twenty-five great grandchildren. Five of her children were present at the party: Mrs. Nell Curran, Director of the Albany Pre-School; Laura Neil, Santa Cruz; Emma Bond, Oakland; Howard Smith, Concord; and Les Smith, Visalia. One son and one daughter could not be present: Gladys Turner of Oregon, and Harvey Smith of Minnesota.

On Mrs. Smith's birthday cake was the line from Proverbs, 31: 28: "Her children rise up and call her blessed."

ALBANY ATHLETE JERRY STRONG has enrolled at Fresno State College for the 1963 spring semester. Strong was a star half-back on Contra Costa College's Big 8 football championship team last fall. He is expected to help beef up the Bulldogs' ground game, which was below par last year. Spring practice begins in February.

The spring fashion show is always a very pleasant one. Dames will be modeling garments that have been fashioned by their own hands — and an excellent example of handiwork it is!

Following this unique event will be a reception in honor of the new members of U.C. Dames. There will be an opportunity to learn about the many functions of the organization, about interest groups, and to get acquainted with the many present members of the organization. The wife of any University of California student is cordially invited to attend and become a member of Dames of the University of California, at Berkeley.

## Easter Fair Will Offer Variety Of Entertainment

Lovers of gracious entertaining will derive many an inspiration from the lavish collection of international table settings at Easter Fair March 1, 2 and 3 at the Hotel Claremont.

Precious and unusual belongings, which branch members of the sponsoring Children's Hospital of the East Bay have gathered from all parts of the world, will find their way into the categories of settings.

Mrs. Charles McNeill of Linden Branch, chairman of table settings which will attract Easter Fair attendants to the Horizon Room from 10 a.m. to 10 p.m. daily, has announced five divisions of entry into the table setting competition. They are: breakfast trays, luncheon for four to eight people, buffets, dinners at eight and children's party tables. All viewers may cast a ballot for the setting of their choice. At the close of Easter Fair, ribbons will be awarded to a sweepstakes winner and first and second place winners in the various classifications.

Rose-gold, dolphin-stemmed Venetianware, reputedly from the estate of General Grant, will be the conversation pieces at a "just for the girls" luncheon table for four planned by Mrs. Michael Marinelli of Albany and Elm Branch. A delicate tablecloth of pink tulle over pink linen, draped at each corner with a small pink satin bow and wee cluster of forget-me-nots, will be the foil for white Limoges china handpainted with blue forget-me-not pattern accented with gold. The china has been handed down in Mrs. Marinelli's family for at least three generations. Blue forget-me-nots, pink roses, and white lilies of the valley will be arranged in a white Italian marble "bird bath."

A showcase of Easter gift items and musical and mechanical toys is planned for a Gift Shop in the lobby by its chairman, Mrs. David Hibbs of Coral. Laurel Branch, under Mrs. Earl Rutherford, will install its eye-catching jewelry and perfumes as part of the Gift Shop operation.

Working with Mrs. McNeill on table settings are other Linden Branch members, Mmes. Jean Hoffman, co-chairman; James C. Wallace, awards; Frank Cashin and Thomas Price, arrangements; Gano R. Baker, ballots, and Robert Haworth, cashier. Mrs. John A. Sproul of Bamboo will be chairman of hostesses.

Easter Fair events will be an I. Magnin fashion show and luncheon at noon and a Bavarian Festival with the Guckenheimer Sour Kraut Band and folk dancers at 8:30 p.m. on Friday, March 1; a Sub-Deb fashion show at 2:30 p.m. and Melodious Mystery Medics at 8:30 p.m. Saturday, March 2, and "Dancin' With Anson," a tea dance to the music of Anson Weeks from 5:30 to 8:30 p.m. Sunday, March 3.

Tickets for all but the I. Magnin show and "Dancin' With Anson" are available from Mrs. Lowell Trautman, 6112 Ascot Drive, KE 6-6411, from branch members, or at the Office of the

It is a far cry from the original meeting place of the lodge in a Southern Pacific box drawn up on a siding where Shattuck Square Building stands, to the beautiful and commodious temple it now occupies.

The lodge was instituted on February 20, 1878 with 12 charter members and 4 initiates. Clapp's Hall, which stood on the northwest corner Shattuck Avenue and Berkeley Way.

The first officers were: Frank Howard Payne, physician and surgeon and noble officer of Berkeley, Noble Samuel C. Clark, locomotive engineer, Vice Grand; John Ryus, contractor, Secretary; Joseph Chapple, merchant, Treasurer.

The lodge's first hall, located at the southeast corner of Shattuck and Addison Street, was dedicated on February 20, 1878. Many years it was a landmark in pioneer Berkeley until its destruction for the construction of the McCuffie Block. The present Odd Fellows' Temple on the northwest corner of Berkeley Way and Fulton Street was dedicated on May 21, 1927.

During its history the lodge has numbered among its members Berkeleys from all walks of life. It has given to the world many prominent personalities, such as: General Friend Wm. Richardson of California; Supervisor Redman Staats of Alameda County; Mayor Byron E. Underwood; Mayor Tom Hann and Postmaster Clarence Merrill of Berkeley.

Some of the most distinguished leaders in California Odd Fellowship have been members of Berkeley Lodge, such as: Master Hugh W. Brunk, Grand Trustee Byron E. Underwood of the Grand Lodge; Grand Patriarch Jack Treflight of Grand Encampment; and Department Commander Wm. F. Miller of the Patriarchs Millers.

## Albany Girl Scouts, Brownies To Hold Evening Conclave

All of the Albany Girl Scouts, Brownies through Seniors, will meet at Marin School, Tuesday evening, February 26, 7 p.m., for a preview of summer Scouting activities.

Colored slides taken at Tilden Park Day Camps and White Meadows in the Sierras will be shown. These slides will acquaint new girls with camp experiences prior to summer registration, as well as renew memories for girls who have attended the camps. Some will see themselves in the slides.

The main feature of the evening will be the sound color film: "This Is Girl Scouting." The film is an entertaining introduction of the new Girl Scout program that goes into effect this summer. Presentation of colors will be by Senior Troop 47, Mrs. John Jacobson, Leader. Troop 44, under Leader Mrs. Dan Thomas, will serve as ushers. Hostesses will be Troop 175, Mrs. Charles Polivka, Leader. ## Ritchie Riggs Represents AHS At Conference

Miss Ritchie M. Riggs, Albany High Senior, attended the fourth annual "Foods Comes First for Youthpower" conference, February 15-17, at the Asilomar conference grounds near Pacific Grove.

The purposes of this conference are to provide high school delegates with a concentrated course in nutrition; inspire them to improve their food habits; and bring them important information on careers in the food industry. Louis A. Rozzoni, chairman of the "Food Comes First" Committee, welcomed the more than 200 students from all over California to the conference. Delegates were selected by county "Food Comes First" committees throughout the state.

Speakers included Dr. George Briggs, University of California at Berkeley; Leona Shapiro, public health lecturer, University of California; R. J. Werner, Dairy Council of California; Allan Grant, California Farm Bureau first vice president; Bruno Felice, P&P Canners; Dr. Maurice L. Peterson, director, Agricultural Experiment Station, University of California; Dr. Emil Mrak, Chancellor, U.C.; Davis; Dr. Harry Walker, U.C.; Davis; Dr. Gaylord P. Whitlock, Agricultural Extension Service, Berkeley; Dr. Donald Young, Physiologist, Biotechnology Division, Ames Research Center, NASA; Jack Shea, Associate Editor, "Western Dairy Foods Review"; Dr. Sheldon Margen, University of California at Berkeley, and others, including a representative of the President's Council on Physical Fitness.

Mr. Rozzoni stated, "This program deserves wide support. It not only teaches teen-agers the need for better diets; the program also benefits the food industry as it sees itself through the eyes of high school students. The conferences are definitely bringing about an increased concern among people over inadequate breakfasts, weight control — fad diets, inadequate family meal planning, and lack of participation as a family unit at mealtime."

John Stanley, California Farm Bureau Commodity Services director, who is "Food Comes First" coordinator for California, is in charge of the Asilomar conference program.

that the "I.Q." of Albany citizens is high and we think they are right.

The reason we think so, is because so many of them bank with MECHANICS. It is evidence of their taste and good judgement.

The unfortunate few who have not "tasted" the special delight of "MECHANICS" service are invited to partake.

## Senior Citizens Activities, 850 Masonic

The Senior Citizens may not be in for the latest craze — the mile hike — but what they are in energy they make up in enthusiasm! The Center is humming with activity five days and nights a week under the guidance of Director Jeanne Samelson.

Plans for the bazaar, March 15, are progressing. Mary Arns and Stella Chandler are co-chairmen of the Bazaar workshop and in charge of the luncheon; Minnie Ingraham, posters and aprons; Tina Gregory and Mary Weip, fancy work; Sally Johnson, white elephant booth; Nora Healey, Bake sale; Mary Arns and

Stella Chandler, dish towels and pillowcases.

Don't forget the Spanish class every Friday, 1 to 3 p.m.

The Sunshine ladies, Vivian Hedge and Gertrude Garden, have been busy visiting, sending cheer cards and potted plants to ill members Jake Frye, Betty Mortenson, Lillian Bailey, Winifred Atwood, Nellie Farling, Gussie Mancini, Alda Houck and May Ellis Olson.

The Valentine party was a grand success and well attended. Ivy Severy and Gertrude Garden are to be commended on their decorations. Small trees were decorated with red hearts, love birds, cupids, flowers and tiny valentines. Candles and a Valentine Box made a gay centerpiece for the table. Nora Healy, co-chairman of the decoration committee, decorated a large sheet cake in Valentine motif. Ice cream and coffee were served with it. The regular Center dance was held after the party and added to the festive spirit.

February 24 is Election Day. Everyone is urged to come and vote.

The Pinochle Tournament will continue on Saturday night. For information concerning the Senior Center, call 526-1601.

"An inspection ride with Chuck Higgins showed me how carefully our water is guarded every mile of the way from Pardee Reservoir to the East Bay.

"Chuck Higgins and his fellow 'hands' daily check these hundred-mile-long lifelines through which our pure water flows. Constant patrol of aqueducts is another example of how East Bay Water protects our entire water system, including new facilities of our \$283-million Water Development Program...now more than half complete."

# Ray Talley Leaves For Santa Cruz

RAY TALLEY

After four years of service, Albany's Deputy Health Officer and Sanitarian L. Raynor Talley left Albany this week to become the Director of Sanitation for the Santa Cruz County Health Department.

Since Ray has been in Albany, he has handled everything from "soup to rats." He has inspected restaurants, bars and food establishments. He has acted as Sanitation Inspector; handled complaint investigations; and among his duties have been General Insect Control, Sewage Repair projects, General Rodent Control, VD Control, Housing — maintenance and sanitation, Animal Bite Investigation, and Rabies Vaccination Reinforcement.

The successful Sabin Polio clinics were organized under Ray's direction, as was the City's inoculation program. He worked with a cooperative City-school program in the Tuberculin Testing Program, and in the influenza inoculations for city and school employees.

During this last year, he conducted a rat campaign.

While Ray has been in Albany, it has become standard procedure if there was a question of which department in Albany to contact to "Call Ray." Ray always had the answer — and if he didn't, he would find one.

A Resolution of Commendation executed by the City Council and drawn up by the City Attorney follows Ray to his new position. The good will of the citizens of Albany will accompany it.

# Petitions To Dissolve BART Off Press

Alex Gaeta, Chairman of 'Citizens For Reconsideration Of Rapid Transit Taxes', announced today, "Petitions to dissolve the BART District are off the press and now ready for signing in San Francisco, Contra Costa and Alameda Counties." He added, "After months of thorough research, to be sure we were legally right, our attorneys prepared the petitions needed to place this matter before the voters again."

Gaeta continued, "Our reasons for asking voters to dissolve the present District is so we can end the fantastic Bond Issue which will cost us nearly \$2,000,000,000 before even the first surface train is running. Besides, there are other, more practical means of travel to relieve our traffic problems and fully serve the users' needs. It is impossible to expect the present District, which came up with the present frantic scheme and its many costly engineering loopholes, to ever consider other travel modes. We feel there are too many 'ifs' and unsound 'theories' in the present District's plans."

Gaeta added, "We know a less costly, more practical Rapid Transit can be provided, but not under the present setup. It is too top-heavy with high-salaried, political appointees, who already have wasted over \$5,000,000 of the taxpayers monies, without offering one, technical train design."

Gaeta then asked, "Why do they ignore Monorail that costs 10 times less? Why do they have to duplicate San Francisco Muni and AC Services which are already serving the public? Why do they make NON-COMPETITIVE contracts (on a cost-plus basis) so every inefficiency makes money for the engineers at our expense?"

He continued, "There are many more 'ifs' never revealed at election time, so, just as soon as the petitions qualify this for the ballot, we will attempt to inform every voter. We need the public's help, and are planning a series of meetings in every city to bring the facts to the people. Also, those wishing to circulate petitions are invited to contact our public relations counsel, Ad Fried & Associates, 477 15th Street, Suite 106, Oakland, or volunteers may telephone TEmplebar 6-1886 or LAndscape 5-8757."

The Citizens group has also organized a Speakers Bureau to provide speakers for interested clubs and organizations. Call TEmplebar 6-1886.

**ALBANY UNIT 292**, American Legion Auxiliary, will hold its regular meeting Monday, February 25 at 8:15 p.m. at the Veterans Memorial Building. President Ann Johnson will preside. Mrs. William Jones, National Security Chairman, has asked the American Field Service students from Albany to tell of their schooling abroad.

# Hair Stylists Donate Time

"I have never seen people derive so much pleasure from such a little thing," said Ellen Larson, recapping the busy day spent at her Albany Beauty Academy, 863 San Pablo Avenue, when fifteen hair stylists donated their services for the day to the Albany Senior Citizens, Salvation Army, Goodwill, and the students of the School for the Blind in Berkeley.

The donation of services was a project of Unit 14, Hair Stylist Association, under the direction of Toby Foster, secretary of the Association and director of the operation.

Transported by the Red Cross, groups came from 11:00 a.m. until 6:30 p.m. The equipment used was donated by the Albany Beauty Academy.

In spite of the exhausting routine of the day, upon receipt of a thank you note from the Goodwill, Miss Larson called them and gave her agenda of free time. "Tell them to come during those hours," she said. "We will do them again!"
